Dear Community Partner,

It is with the help of people like you that we are able to keep our successful band program moving forward. We truly appreciate all that our local businesses and friends do to support the kids.

One of our largest fundraising events is just around the corner – the 16th annual **Pride of the Northwest Marching Band Championships**. This is a regional competition, encompassing visitors and participants from all over the northwest. It is heavily attended because of our reputation of “Always Striving to Achieve the Next Level of Excellence”.

This event will take place October 16, 2010, at Mel Ingram Field.

Enclosed you will find information about Pride of the Northwest. I am hoping that you will be a proud sponsor of our PNW Program this year. You will find information attached regarding various sponsorship and advertising available. Please keep in mind that *any* amount or *any* way you can sponsor is greatly appreciated.

If you have any questions, please call our Pride of the Northwest Coordinator, Dawn Boyd, or myself.

Thank you for your time and consideration.

Sincerely,

Lenora Short
President, GPHS Band Boosters
